OHIO FFA FOUNDATION

when you present this flyer** at your local Bob Evans (Ohio only).

***Printed flyer must be presented at time of checkout. Electronic flyers will not be accepted.*

#8111

JOIN TODAY!

Ohio Farm Bureau's new Young Active member category allows 18 to 24 year olds involved in agriculture to join for just $25 per year.

When you invest in Farm Bureau, your membership dues support programs such as:

OHIO STATE FAIR YOUTH RESERVE PROGRAM

OFBF, Bob Evans, Event Marketing Strategies and Huffman's Market invested more than $26,000 in the 2015 Ohio State Fair Sale of Champions. The investment also goes toward the Youth Reserve Program, which benefits contests, scholarships, 4-H, FFA and several other youth programs.

PROTECTING CAREER TECH FUNDING

Farm Bureau membership dues supports efforts to protect state funding for critical ag education programs. Under a plan supported by Farm Bureau, in 2015 more than $125 million in state funding was targeted to rural low wealth districts in addition to millions more for schools with low property values and high transportation costs.

PROGRAMMING FOR YOUNG ADULTS

OFBF's vibrant Young Agricultural Professionals program continues to grow and offer opportunities for younger members. Additionally, OFBF supports the Ohio Youth Capital Challenge program, collegiate Farm Bureau chapters, Ohio FFA Camp Muskingum and state fair ambassadors program. Members receive the Growing Our Generation e-newsletter, which is created by and for young farmers and ag professionals.

COUNTY FARM BUREAU SUPPORT

Many county Farm Bureaus directly partner with and support local FFA and 4-H programs in their communities.
