

Discussion Leader's Notes

May 2008

TOPIC CHANGE

Please note that due to the fact that we do not yet have a new farm bill, the May topic has been changed. We will provide a council guide on the topic of the new farm bill as soon as our elected leaders complete their work in Washington, D.C.

TIPS FOR LEADING THIS MONTH'S DISCUSSION

- ◆ Discuss how you see your community affected by the current economy.
- ◆ Compare the federal government's response to the state government's recent response.
- ◆ Try not to let energy costs totally dominate the conversation. It is a huge cost, but there seems to be a lot more going on economically today.
- ◆ Encourage suggestions to OFBF that will aid in policy development related to economic development.
