

# Grow it. Know It. GIVE IT.

*with Morrow, Delaware and Richland County Farm Bureaus*

Join us for a unique dining experience at **Flying Horse Farms**, a camp that provides magical, transforming experiences for children with serious illnesses. Located on 200 acres in Mt. Gilead, Flying Horse Farms serves hundreds of children and families each year — *free of charge*.

**Morrow County Farm Bureau**, in collaboration with **Delaware and Richland County Farm Bureaus**, are your hosts for an evening featuring **locally sourced food** prepared by Chef Joseph Motter, **Malabar Farm Restaurant** chef and owner. Each of the four seasonally inspired courses will be paired with a **unique Ohio wine** and served at the camp Dining Hall. Plus, guests can participate in **camp tours**.

All proceeds help further the mission of Flying Horse Farms and provide operating expenses for the children's **Vegetable Garden**.
