

**Trumbull County Farm Bureau & the
League of Women Voters of Trumbull County
present the first segment of the Trumbull
County Farm Bureau Learning Series....**

***Farmed and Confused:
The GMO and non-GMO Discussion***

**There is a lot of information available to you about
GMO and non-GMO farming methods and we
understand it can be overwhelming. That's why we
created this opportunity for YOU to talk with local
farmers.**

**Join us for lunch on Thursday, May 15th at DiLucia's
Banquet Room as local farmers discuss GMO and
non-GMO farming methods on their farms. Doors open
at 11:45AM and the program begins at NOON.**

**Lunch is FREE to Farm Bureau members that show
their membership card at the door. \$5 to non-members.**

**Please RSVP to the Farm Bureau at 800-410-4613 or
by email, nefarmbu@fairpoint.net**

**Audio-visual services provided by the TCTC Interactive
Multi-media program**

**For more information on the program partners, please "Like" or Friend Request them on
