## Proceeds From The Event

Benefiting  
Friends of Preble  
County 4-H, Inc.

Friends of Preble County 4-H, Inc. was organized to ensure funding for the Preble County 4-H program. Funds raised through efforts such as the Buckeye Bridge Ride will help conduct, promote, and expand the 4-H program.

Ohio 4-H offers more than 300,000 Ohio youth a diverse range of educational programs to help them reach their fullest potential. With approximately 800 youth involved in the Preble County 4-H programs, 4-H members not only learn about agriculture, but also topics such as science, citizenship, technology, health, communication, and personal development.

By making a solid investment in the youth of today, we can build good citizens and leaders for tomorrow.
