2. The student must have an accumulative 2.5 GPA at the accredited institution. The grant will be awarded after delivery of the first quarter or semester transcript, and can be applied to any expenses as the student sees fit.
3. The enclosed application must be filled out as completely as possible for full evaluation and possible award.
4. The committee will judge based on evidence of deliberate research and thoughtful analysis as well as writing quality. We are not looking for any specific answer or opinion.
5. Parent(s) of the applicant must be a member of the Knox County Farm Bureau (membership must be current at time of application and distribution of monies).
