As an official and leader of Geauga County, you are invited to discuss topics of concern to you and rural residents in Geauga County. You will be given the opportunity to present your suggestions to the group. From these series of short presentations, a slate of Local, State and National policies will be developed upon which our Farm Bureau membership will vote. These will be the foundation for our local policy efforts for the upcoming year. Some will be submitted to the Ohio Farm Bureau Federation, and some to the American Farm Bureau. If you are unable to attend, but would like to recommend policies to be considered, please mail them to the Lake County Farm Bureau, 8220 State Route 45, Ste B, Orwell, OH 44076.

We look forward to seeing you at our annual luncheon as we meet with elected officials, leaders and Farm Bureau members to discuss important topics affecting our community. Strong policies can make a difference for your group, the members of Farm Bureau, and the quality of life in Geauga County. If you have any questions, or need more information, please don't hesitate to contact our office or Mandy Orahood, Organization Director, at 440-437-8700.
