

“AgriPOWER provides leadership development, education about a variety of aspects across the entire industry of agriculture, but most importantly, AgriPOWER focuses on how we can help to address issues in the industry.

The enduring theme of the AgriPOWER program is to urge participants to get involved. To become educated and understand the issues facing agriculture. But then to be a voice in the conversation. To tell our stories and be open to questions. To network and become a resource for those who make decisions impacting agriculture but may not be connected to the industry. As my journey in this program comes to a close, I am charged with being involved to help solve the issues facing agriculture and I am grateful for the opportunity to participate in AgriPOWER.”

VICTORIA SHAW, Medina County Farm Bureau Member and AgriPower Class VII Member

Use your knowledge in agriculture
TO BE A LEADER.

AgriPOWER Institute

AGRIPOWER CLASS IX

Ohio Farm Bureau launched an elite program designed specifically for farmers and agribusiness professionals: AgriPOWER. This yearlong program focuses on public policy issues confronting agriculture and the food industry such as consumer relations, regulations, energy, and trade policies. It helps individuals develop the skills necessary to become effective leaders and advocates for agriculture by learning from experts in these fields. Additionally, the program is respectful of today's busy farm and family calendar.

AgriPOWER Institute

In 2018, Ohio Farm Bureau Federation will select 20 individuals to participate in AgriPOWER, a leadership and advocacy development program, which will consist of seven multi-day institutes (17 total days). Topics covered during institute programs will include public policy matters facing local communities, the state of Ohio, the nation and the world. Additionally, specific sessions will help class members develop important skills necessary to become an effective leader and advocate for agriculture. Two of the institute sessions will be held out of state (one in Washington, D.C. and the other location will be decided at a later date) to help class members gain a valuable understanding of national and global issues.

YOU SHOULD APPLY FOR AGRIPOWER CLASS X IF:

- You want to improve your understanding of current issues and develop the skills necessary to lead and become an advocate for agriculture.
- You have a passion for agriculture and see yourself in a leadership role in the future.
- You are interested in the political process and/or have thought about running for office.
- You are open to new experiences and learning
 - You can commit the time necessary to participate in the program.

Never before in the history of agriculture has there been the urgency there is today for leaders and advocates for agriculture.

WHAT PEOPLE ARE SAYING ABOUT AGRIPOWER

"If you're looking for a program to take you to the next step in your ag career, whether you're just getting started or are a veteran — consider AgriPOWER. You'll be surprised how much you learn from the speakers and farmers, and also about yourself and the people around you."

CHRIS KICK, Wayne County Farm Bureau Member and AgriPower Class VII Member

AgriPOWER Institute

Individuals may nominate themselves or have their nomination sponsored by their respective county Farm Bureau, other agricultural organization or employer. If you are nominating yourself, you must be a Farm Bureau member (contact your county Farm Bureau for membership information). Applications should be completed and returned to Ohio Farm Bureau postmarked by April 20, 2018. Ohio Farm Bureau will review the applications and select the 2018-2019 class. All applicants will be notified of their acceptance status after May 18, 2018. The first institute for all accepted applicants to attend will convene in Columbus July 13-14, 2018. Applications can be obtained at the county Farm Bureau office or online at ofbf.org/get-involved/agripower.

2018-2019 TUITION

The tuition is \$4,500 per person, plus each individual is responsible for a \$400 participation deposit. Tuition includes lodging, meals, breaks, group travel and all course materials. Ohio Farm Bureau currently plans to offer sev-

eral scholarships. The contribution of those who receive scholarships will be their time, energy and commitment to make the program a success as well as a volunteer commitment after completion of the program. All participants, county Farm Bureaus and other agricultural organizations and businesses are invited to make a financial contribution to strengthen the program. Other organizations are invited to sponsor a participant, or in some cases, an individual and his/her employer may cooperate to cover the program's tuition. Travel to and from the Ohio sessions, meals during the commuting trips and any incidental personal purchases are the responsibility of each individual participant. The \$400 deposit will be returned to the participant at graduation if the participant attends every session in its entirety. \$50 per Ohio session or \$100 for the out-of-state sessions will be deducted from the reimbursement for each part of any institute the participant misses. Participants may seek scholarship support locally for any or all of the \$400 participation deposit.

2018-2019 SESSION OUTLINE

SESSION 1 | JULY 13-14

Columbus

Program orientation and getting to know Farm Bureau. Personal strengths finder assessment, evolving leadership development and public speaking training.
