August 2018

Dear valued member,

Eleven years ago, Brian Eucker, Trumbull County, wasn't sure he would get a second chance at life. Brian's liver was failing and so was his health. Brian's life as he knew it was changing. He was struggling to maintain his orchard and property, and wasn't sure if he could continue farming. But on September 4, 2008 Brian got the call that he was receiving a liver. "A second chance is the greatest gift of all," says Brian.

Ashtabula, Geauga, Lake, and Trumbull County Farm Bureaus are once again partnering together to help support the Lifebank. Our second annual, *Together with Farmers Harvest 5K & 1 mile walk* will be held on Saturday, October 13, 2018 at the Geauga County Fairgrounds in Burton, Ohio. This year's event is again targeted at raising awareness on the importance of being a registered organ donor. We are a grassroots membership organization that works to support our state's food and farm community and to raise awareness on issues important to our members. Did you know that more than 3500 people are currently waiting for an organ transplant in Ohio?

We are asking you to support our organization this year with a donation to the Ashtabula, Geauga, Lake, and Trumbull County Farm Bureau impact funds of the Ohio Farm Bureau Foundation. The impact funds will be used to hold the event. We hope to grow this to an annual event that can assist individuals or organizations in our community, and without donation from individuals and businesses like you, this would not be possible. In return for your support, we offer many benefits that promote your business. The sponsorship levels are on the back of this page. Together with farmers, we are striving to make a difference in our communities.

If there are any questions, please call the office at 440.426.2195.

We look forward to hearing from you.

Marsha Stanhope

Trumbull County Farm Bureau
