Open Every Day Except Sunday • On the Square in Kirdron, OH

LEHMANS.COM

This year's tour takes visitors through the northwest quadrant of our picturesque county which includes Canaan, Congress, Chester, and Wayne townships. The 2018 tour offers a plentiful and wide variety of tour stops! The tour begins with a look back at yesteryear at the newly-opened Buckeye Agricultural Museum and Education Center then meanders north of Wooster, to the West Salem area, and finally to Creston. We are excited to offer a tour that highlights family-owned farming operations as well as ag-related businesses. With delicious food and activities at each stop, it should appeal to attendees of all ages!

The scenery in these townships is beautiful this time of year. The gently rolling hills provide a picturesque landscape. Just driving these roads is relaxing and restful. Please remain alert, however, as hillcrests and curves can block your vision of very slow vehicles such as horse-drawn buggies, bicyclists, and farm equipment. We want your day to be one of nothing but pleasant memories.

If you are one of our returning visitors – Welcome back! If this is your first visit to our annual tour – Enjoy! (We know you'll come back.)

Sincerely,

Bob Hargreaves

Wayne County Farm Bureau President

The Buckeye Agricultural Museum and Education Center, Wayne County's up and coming tourism attraction, was developed by a small group known as Friends of Wayne County Fair.

The rapidly growing museum is housed in a 19,500-square-foot building that was previously a farm implement and automobile dealership. It occupies a three-and-a-half-acre parcel directly across from Gate 3 of the Wayne County fairgrounds, making it a popular parking lot for fairgoers. This year fairgoers will be able to lease their own weeklong fair parking space for \$50. Ask staff for application.

On the exterior, the museum features colorful murals painted by Orrville artist Kristin Lorson, as well as a silo that serves as

the entry. Inside, it presents a rapidly expanding collection of artifacts donated by Ohioans dating from first settlement in the state, until WWII. Among the items shown are a Massillon-built Russell steam engine, Orrville-built Champion threshing machine, Jerome M. Smucker's original apple butter kettle, collection of Ohio-built corn shellers, agricultural signage, Wayne County Fair museum room and an art gallery. Docents will be on hand to answer questions.

Food by Buehler's BBQ wagon and "Here's The Scoop" farm stand which will be providing Chocolate, Vanilla, Cookies and Cream, and Peanut Butter Crunch ice cream the old fashioned way with a 1923 John Deere hit miss motor.

The Hartzler Family Dairy is a family owned and operated business that has served the Wayne County community for over 22 years. Since our inception on April 15, 1996, The Hartzler Family Dairy has produced award winning Milk, Cheese, Ice Cream, Chocolate Milk, Egg Nog, and more. The Hartzler Family Dairy exists to encourage healthy living, to promote superior dairy practices, and to reflect the love of Jesus Christ in the products and services we provide.

Our milk is sourced from only local Dairies that are Non-GMO Project Verified and Hartzler Quality Certified, which requires the omission of pesticides and herbicides. The Hartzler Family Dairy uses a process called Low-Temperature Vat Pasteurization. This ensures that our milk

retains a majority of its enzymes, which are crucial for proper digestion and good health. While most milk undergoes homogenization, ours does not. We choose not to homogenize because it changes the molecular structure of milk, which has unhealthy consequences. In particular, it prevents the delivery of important nutrients to the body. We are passionate about the goods that we produce and are truly grateful for all the love and support from our local Wayne County community.

During this year's Farm Tour, we will be featuring walkthroughs of our processing plant followed by pulled pork and beans at our on-site Ice Cream Shoppe.

You're Invited

We are honored to be hosting a stop on the 2018
Wayne County Farm Tour!

We are welcoming visitors on October 13th and
14th at our Cleveland Road facility at 5454
Cleveland Road, Wooster, Ohio 44691.

Join us on the Farm Tour for an exclusive lunch
menu of pulled pork and baked beans, our famous
homemade Hartzler Family Dairy ice cream as well
as self-guided tours through our processing plant.

HARTZLER
FAMILY DAIRY

STOP

AppleBerry Belgians Farm is owned and operated by Lynn and Shirley Nickles, along with help from daughter and son-in-law Janel and Brett Wilson and grandgirls, Haley and Hanna Wilson. We farm 28 acres of prime, small bale hay, using an accumulator and bale grabber. Also on the farm are apple and blackberry orchards. As the name indicates, AppleBerry Belgians Farm has two Belgian mares that are used as work horses as well as a 1 year old Belgian colt. Lynn and Shirley also sell, raw local honey and brown eggs.

Games, activities, and petting animals will be on hand for the little ones. We will be conducting apple cider pressings throughout the weekend. Tri County Beekeepers Association will be on hand Saturday and Sunday giving demonstrations

on beekeeping. From 1-4 on Saturday, Emanuel Miller from Moreland Fruit Farms, will be doing an orchard walk. Also, from 2-4 on Saturday come on out to hear your favorite polka's and waltz's. You may even get a chance to see Lynn play along. Sunday from 2-3 we will have a horse harnessing demo.

Offering tastings and selling of, a variety of flavored honeys and of our own raw local honey. As well as beeswax candles, creams, all natural blackberry jelly. AppleBerry Belgians Farm will be serving fresh pressed apple cider, Troyer's doughnuts and pastries, Pop's Country Kettle Korn, steak burgers and hot dogs, by H&H Hog Roasting. We thank and support, Habitat for Humanity for their help.

Ohio Pumpkin is a family-owned business that was established on their home farm in October 2017 by Adam and Alexa Knapp. "We started this business to give families and friends a reason to get together for some fall family FUN! We love everything about fall and would like to give people a chance to create great memories throughout the pumpkin season." Ohio Pumpkin has a variety of goods and activities to offer the public. From locally harvested raw honey and maple syrup, along with kettle corn, Bauman Orchards apple cider, pumpkins/gourds, Indian corn, to a 10-acre corn maze, jump pad, hayride, jungle gym, tire mountain, petting zoo, pumpkin bowling, face painting

and potato sling shots just to highlight a few. Also present, is a Keating Catering food truck that has super steak, Italian sausage, fair style fries, lemonade shakeups and more.

A portion of the proceeds goes towards the staff at Ohio Pumpkin where the local Northwestern FFA group, students and Wrestling club help manage the activities. Ohio Pumpkin is located 3 miles south of West Salem at 10558 N. Elyria Rd just south of the SR 71 ramp. General admission is FREE, the hayride and corn maze are \$2 per person each. Parking is limited at this location so please plan accordingly! We can't wait to see YOU at the patch during the Farm Tour!

Pine Run Farm Repair LTD is a family run farm repair service located on a third generation Flinn family farm. We offer a variety of services ranging from on-farm repair to restorations of antiques to general farm equipment maintenance. The business started in the 1990's as a part time restoration business which has grown into a full-time farm repair shop. The business started by Jim Flinn and his sons, Alex and Nick has become a partnership and a LTD over the years.

As a previous farmer Jim knows the importance of keeping equipment in the fields and performing well. With over 25 years of experience Jim, Nick and Alex repair farm equipment of all makes, models, and years. Whether its engine overhauls, baler

repair or restorations we do it all. Our motto is "If you farm with it we fix it!"

At this stop you will see antique tractors and equipment plowing, fitting ground, and planting 36 acres of rye. Shuttles will be provided to transport attendees to view the plowing demonstration. We will also have a display of various makes and models of farm equipment. Kid's activities include a petting zoo, pony rides and a pedal tractor pull. Kiddie pedal pull will be Sunday at 2pm. Registration will begin at 1pm with age groups 6-7, 8-9, and 10-11. Food available at this stop includes Don and Linda Reichert's roast lamb sandwiches and beef hot dogs.

Livestock farmers need to have local support services for equipment, animal health, feed and energy. Livestock cannot wait for service from the other side of the state.

Dollars spent by a livestock operation circulate seven times within the local economy.

For more than 20 years, **Canaan Meats** has been serving the community with high quality meat and great customer service. We offer full service custom meat cutting to both retail and wholesale customers. What we offer that most commercial meat departments do not is custom cutting and packaging of all orders to meet the individual needs of each and every one of our customers.

As a State inspected meat processor, our facility is inspected daily. We are committed to food quality and safety. Our diverse offerings include beef, pork, poultry, lamb and goat. We offer value meat bundles and whole, half or quarters of beef and whole or half hogs. We also offer several cuts of beef and pork along with several flavors of bacon and sausage.

During hunting season, we also offer grinding, wrap and created smoke meat products. We offer bologna, summer sausage and sticks as well as our savory handmade jerky with two flavors to choose from regular and hillbilly.

The farm tour will include sausage sandwiches and a tour of the processing room. Where all the Magic happens!

Norwayne FFA has been around since 1952! We currently have 91 FFA members and two FFA advisors - Miss VanTyne and Miss Noyes who have access to a brand-new greenhouse, shop, and classroom. This will be our first year using our chapter greenhouse where we will have our Greenhouse Management class in charge of planning the usage and profits from the structure. We plan on using several different techniques in growing plants ranging from natural growth to hydroponics.

Seeing as Norwayne FFA has been around since 1952 we have plenty of "family history" to share with our members and community! Our members have recently found pictures

from Back in the Day of our classroom and have plans in the future to recreate the pictures to share with the public. Our FFA chapter also has a very wide variety of awards in Dairy Cattle Judging, Urban Soil Judging, Agricultural Sales, Parliamentary Procedure, and several other Career Development Events!

All are welcome to come and check out our brand new greenhouse! Students in the greenhouse management class will be on hand to talk about greenhouse projects. The Norwayne FFA stop will also include a petting zoo, displays of student SAE and Science Fair projects, and bison burgers from Whitefeather Meats.
