**Re: Tuscarawas County Farm Bureau Study Grant Award**

The Tuscarawas County Farm Bureau will be awarding at least \$1000 in study grant(s) for qualified students from Tuscarawas County who are or will be pursuing further education. Enclosed are forms for copying. Electronic requests may be honored by emailing [tuscarawas@ofbf.org](mailto:tuscarawas@ofbf.org). The academic grant(s) will be awarded to student(s) based on the following qualifications:

1. High School seniors or graduates planning to attend or having entered an accredited institution offering post-secondary education.
2. The student, or his or her parents or guardian must be a Tuscarawas County Farm Bureau member for the last two consecutive years.
3. The enclosed application must be filled out as completely as possible for full evaluation and possible award. Two letters of reference must be either mailed to the Farm Bureau (2146 East High Avenue, New Philadelphia, Ohio 44663) or emailed ([tuscarawas@ofbf.org](mailto:tuscarawas@ofbf.org)) by the recommenders by the application deadline.
4. The committee will judge based on evidence of deliberate research and thoughtful analysis as well as writing quality. We are not looking for any specific answer or opinion.

Please feel free to distribute the enclosed materials to any qualified and interested student. If you have any questions, please contact our Organization Director, Michele Specht at 330/339-7211.

Thank you for your cooperation and support.
