clinton@ofbf.org

Dear Valued Community Member,

Clinton County Farm Bureau is gearing up for its annual membership campaign and we want to support local businesses. This year we are creating a local membership benefit discount card that will go to almost 700 households in Clinton County. We are looking at partnering with businesses that are willing to offer a local benefit to our members in exchange for getting their information out in front of our audience. If you are interested in participating, please return the following information to the Clinton County Farm Bureau office by mail or email by Feb. 15th. These discount cards will be distributed in March.

Company Name: _____

Address: _____

Phone: _____ Website: _____

Discount for our members: _____

Are you a Farm Bureau member? Yes _____ No _____

Rules for the Discount Card

*Members must present the card at the time of order. Not valid with any other offer or special unless approved by the vendor. Offer valid through March 31st, 2023. The vendor does not have to be a member to offer a discount.

If you have any additional questions please don't hesitate to contact our office.

Sincerely,

Ashley Rose
Organization Director
Clinton County Farm Bureau
