

2022 Sponsorship Opportunities

Help Support agriculture in Licking County

PROTECT THE FUTURE OF AGRICULTURE

Support programs and increase resources for successful farmers and producers through advocacy and policy development.

PROMOTE AGRICULTURE

Raise the awareness of local agriculture impacts, connect farmers with consumers and support local community building efforts.

SUPPORT LOCAL YOUTH

Provide educational opportunities for students, offer scholarships for the next generation, and partner with schools and youth groups.

With less than 2% of America's population being involved in agriculture, we have our work cut out for us! We invite you to become a sponsor of Farm Bureau events and programming. In addition to supporting local farmers, your community, and helping to ensure the future of agriculture, you, your business, and employees gain access to many benefits locally and statewide. Don't miss out on this great opportunity!

All benefits listed are subject to change without notice. No legally binding guarantee of resources, access, availability, training, or marketing is made by Ohio Farm Bureau Federation and/or County Farm Bureaus. Additional benefits maybe added as events arise throughout the year, and all events are subject to change due to COVID.

Got questions or need to customize a package?
