Promote agriculture in the county

Help promote the importance of agriculture to our community.

Educational Opportunities

Help provide events that will help the public connect with our local farmers and learn more about them.

Consider sponsoring our events while becoming more involved in the local agriculture in Delaware county. You will help our community learn more about the importance our farmers play and how they can support them throughout the year. Your support will help the youth of our county through scholarships, leadership training and educational activities. We can tailor any package to your needs.
