

WESTERN OHIO AGRICULTURE IN THE CLASSROOM CONFERENCE

CALLING ALL K-4 TEACHERS, join us at MVP Dairy to learn how you can bring agriculture into your classroom. You'll **earn CEUs**, hear from Ohio's agricultural experts, learn interactive activities and take home resources to incorporate agriculture into your curriculum.

MVP Dairy
7124 U.S. 33 Celina, OH 45822
June 14, 2022

8:30 am Registration and Coffee

9:00 am MVP Dairy Tour

11:00 am Breakout Sessions

Breakout 1- Strong as an Egg: Discover what an egg has in common with architecture and strength.

Breakout 2 -Food Science: Learn about the science of food and how we develop, engineer, and produce our food.

Breakout 3 -MyPlate, Connect food, nutrition and farming.

Breakout 4 -Agriculture Literacy: Learn where to find accurate agriculture books, and explore ways to effectively utilize them.

Noon Lunch provided by Sponsors

1:00 pm **Keynote Speaker:** *Jeanie Golgolski, CEO of EducationProjects.org*

Inspiring the next generation of leaders to feed the world
Jeanne has been connecting agriculture to Ohio classrooms for more than 20 years. Everybody eats, but many Ohioans have little knowledge about food production. As teachers, we can use the fun, familiar topic of food to teach a variety of elementary skills and concepts.

1:30 pm Breakout Sessions Continued

3:45 pm Adjourn
