WAYNE COUNTY

Wayne County Farm Bureau is one of the 86 county farm bureaus that comprise the Ohio Farm Bureau Federation, led by a board of trustees and volunteers taking on local initiatives.

Our mission is to advance agriculture and strengthen our communities. This means advocating for Wayne County's farm families on issues that help them in business and, in turn, provide non farmers a wide variety of food choices.

Since 1919, Ohio Farm Bureau has worked to make Ohio a great place to call home, and it doesn't matter if you're a farmer who produces food or a customer who purchases it, there's a place for you in Farm Bureau.

One benefit of a membership with Wayne County Farm Bureau is FREE advertising in this directory! To be included in the 2023 directory, members must share their listing information with our office by March 1, 2023. Responses by mail and email (wayne@ofbf.org) are accepted.
