Make n' Take Session

Garden in a Glass for Additional \$45 per person
by Kah Nursery & Garden Center

Evin Bachelor

Attorney Wright &
Moore Law Co., LPA

Farm Transition

Evin Bachelor is an attorney at Wright & Moore Law in Delaware and Purdy Lammers & Schiavone in Celina. Evin focuses in farm succession planning for farmers and landowners across the state of Ohio. His specific role is to assist with the drafting of trusts, wills, probate filings, and real estate documents.

Evin has worked for Wright & Moore since fall 2019. Prior to that, he worked for the OSU Extension Agricultural & Resource Law Program, where he researched, wrote, and presented on a number of legal topics affecting Ohio farmers. He also assisted with the agribusiness law course at Ohio State, and has taught a similar course at Wright State Lake Campus.

Evin now splits his time between Celina and Delaware to best serve his clients. Evin moved back to his native Celina in 2020 to be closer to family, and help provide legal services to area communities where attorney representation is at an all-time low. Wright & Moore has partnered with Purdy Lammers & Schiavone to meet with existing and new clients in Celina, and make it easier for Wright & Moore clients in this part of the state to work with Wright & Moore.

Pamela Bennett

Associate Professor, OSU
State Master Gardener
Volunteer Program Director

DIY Landscaping

Pam is an Associate Professor with The Ohio State University and serves as the State Master Gardener Volunteer Program Director and Horticulture Educator for OSU Extension in Clark County. In July 2020, she was appointed Interim Program Director for Chadwick Arboretum.

Pam specializes in herbaceous ornamental plant trials and presents programs on annuals and perennials as well as other landscape topics locally, statewide, and nationally. She is President of the Clark County Park District Commission, and a Board member of the Hartman Rock Garden and The Abilities Connection.

Pam is the co-author of an award-winning book, Garden-pedia, An A-to-Z Guide to Gardening Terms, writes a weekly gardening column for eight counties receiving the Cox Publishing brands, authored the bi-monthly Ask the Expert Column for Ohio Gardening magazine and has written for gardening magazines as well as trade publications. She was recently awarded the Ohio Nursery and Landscape Association Service Award and the National Association of Co. Agriculture Educators Ohio Distinguished Achievement Award.

Julie Casiano

The Smoothie Life
The Meal Prep Life
Whole Heart Kitchen

Cooking and Meal Prep

Julie lives in Sidney with my husband of 13 years, Joe. Together they have four children the youngest is Gia, son Vinny, daughter Brylie, and our oldest Brylee Madison. Julie is the business owner of The Smoothie Life, The Meal Prep Life and Whole Heart Kitchen all located in Sidney OH.

Julie started Meal Prep Life six years ago out of her house with the desire to support her family financially and help others eat home cooked healthy meals, all while still being home to care for her children. Julie is also a member of Charity League of Shelby County and on the board of S & H products. Each one of her businesses allows her to help the community, support employees, and provide for her family.

Keynote Speaker

Chasitie Euler

BASF District Manager
Agricultural Solutions, Ohio and Michigan

Have you truly thought about what is most important to you and more importantly, who is most important to you? Waking up each morning with a focus on what surrounds your priorities takes intentionality and mindfulness. Unfortunately, there are so many distractions in our lives that can pull our focus away from what means the most to us. How do we turn these distractions into what lights your fire? This is a work in progress, and I will share some of my key learnings and inspirations that drive me each and every day.

Join Chasitie Euler's as she shares her experiences evaluating priorities and modeling expectations for her team and family.

Chasitie grew up on small livestock and row crop farm in Northwest Ohio where she learned her passion for taking a seed and watching it flourish into a crop ready to harvest. She completed a Bachelor of Science in Agribusiness from Wilmington College and MBA from Bowling Green State University and has gone on to sales and marketing roles with Monsanto, Pioneer, and most recently is the District Manager for Ohio and Michigan at BASF. Chasitie and her husband, Roger, have two children, Caleb and Lauren who keep life busy with 4-H and sports.
