

ALMS AG. LEADERSHIP PROGRAM

Auglaize, Logan,
Mercer, and
Shelby Counties

Won't You Join Us!

Are you interested in growing as a person? Learning more about the agriculture community in Auglaize, Logan, Mercer and Shelby counties? As well as meeting people involved in the agriculture industry? If so then the ALMS Agriculture Leadership Program is right for you.

This 5 session leadership program will focus on important topics that agriculture professionals face today. Allow you to gain additional skillsets to be more successful, and gain insight into other aspects of our industry.

We urge all to get involved, enrollment will begin in February so contact us now with your interest!
