

# ExploreAg

Ohio Farm Bureau's signature ag literacy and workforce development program, ExploreAg, offers **FREE** week, multi-day and day-long immersion programs for high-school students. In ExploreAg, teens learn about agriculture and related STEM fields from industry experts, scientists, and educators. Participants visit locations like Kroger and Bob Evans, manufacturers like John Deere and Certified Angus Beef, and research laboratories at OSU, Wilmington and Findlay. Youth are able to develop their leadership and collaboration skills and prepare for college and further careers.

- 9:30 a.m. Rehearsal for Graduation
- 10:45 a.m. Networking
- 11:45 a.m. Lunch & Graduation Celebration
- 1 p.m. Depart

"Not only was it educational, and a networking experience, it was fun. Anyone who wants to learn about ag, college, career pathways and/or about being a professional has something to gain."

**Logan Snavelly, 2023 ExploreAg participant**

"The ExploreAg opportunity this summer was a no brainer. As soon as we read the description, we knew the boys would reap so much from the opportunity."

**Sabrina Kiser, parent of two ExploreAg participants**
