10:45am – Networking
11:45am – Lunch & Graduation Celebration
1:00pm – Depart

"I truly believe that ExploreAg Camp has changed my outlook on my future employment and other opportunities. This camp has helped me explore different opportunities and make so many new friends and networks. I thought I knew about most of the jobs in the agricultural field, but turns out, I hadn't even scratched the surface. We did so many hands-on activities as well as classroom-type lectures."

– **Grace Hulse, 2024 ExploreAg participant**

"I'm just a parent of kid that attended and was so excited. After the camp, we heard all about what they did and it was excellent stuff. Just a great variety with cows and horses, food, and distribution and logistics. And they made it so fun on top of that. An amazing number of jobs in the agricultural field for these kids. And they wouldn't have even known about it if it weren't for these camps. It really opened the eyes of these kids."

– **Max Faulkner, parent of 2024 ExploreAg participant**
