

Ohio Farm Bureau Member Benefits

Resources, services and savings to help you achieve your best farm future.

INSURANCE AND PROTECTION

Nationwide

Nationwide is proud to be the approved insurance and financial services provider of Ohio Farm Bureau. Founded by farmers, Nationwide offers personalized insurance, financial services, and risk management solutions designed to meet the unique needs of Ohio Farm Bureau members and the agricultural community. To learn more, contact your local agent or visit nationwide.com/ofbf.

Ohio Farm Bureau Select Partners

Ohio Farm Bureau Select Partners is an insurance and financial services preferred partnership program designed for Ohio's agricultural community. All participating agencies and advisors have partnered with a county Farm Bureau, composed of local farmers and agricultural professionals—ensuring a trusted, knowledgeable network committed to serving members with personalized, consultative support.

Workers' Compensation Group Rating Program

The program enables small employers with better-than-average claim histories to combine claim expenses and rate calculations to take advantage of premium savings currently reserved for large employers. Employers enjoy a much lower premium than could be attained on their own.

Property Protection Program

A \$5,000 reward will be paid to anyone providing information that leads to the arrest and conviction of persons for eligible property crimes committed on a member's property.

FINANCIAL

Farm Bureau Bank

Farm Bureau Bank® is a full-service financial institution with a deep understanding of its clients' unique financial needs. The bank offers a broad suite of services—from personalized lending and high-yield deposit products to commercial banking and treasury solutions—all designed to support growth, stability, and long-term success. Members also enjoy exclusive benefits, such as membership dues reimbursement and can earn Double Points on Nationwide and Grainger purchases when using Farm Bureau Member Rewards Mastercard®. Visit farmbureau.bank for complete terms and conditions.

HEALTH AND WELLNESS

Ohio Farm Bureau Health Care Solutions

Trusted health coverage for individuals, families and small businesses. A health care plan you can count on, from a name you trust. For individuals and families, **Ohio Farm Bureau Health Plans** offer an alternative to traditional marketplace coverage. This plan offers comprehensive health care at competitive rates, even for those who don't qualify for ACA subsidies. For employers and small businesses with 1 to 50 employees, the **Ohio Farm Bureau Health Benefits Plan** offers group health coverage. It's designed for Ohio Farm Bureau member employers who want to offer affordable, high-quality health care to their teams. This plan is a smart solution for recruiting, retaining, and protecting employees.

HEALTH CARE SOLUTIONS

AgriPlan/BizPlan

Enabling qualified small business owners to deduct federal, state, and self-employment taxes for family medical expenses, with members saving 10% off the annual enrollment.

Life Line Screening

Life Line Screening provides convenient, preventive health screenings to help detect risk for stroke and cardiovascular disease at a special rate for members.

FARM BUSINESS

Energy Program

This program assists eligible members in commercial utility areas (non co-ops) with energy analysis, education, protection and competitive rate options. All members can sign up for on-farm energy consulting and advice on implementing energy efficiency equipment such as LED lighting, high efficiency grain dryers and HVAC, and on-farm solar. Call 800-830-3501 for more information.

Farm Transition Planning

Through Nationwide's Land As Your Legacy® program, you can confidently plan the transition of your family farm to the next generation. From facilitating meaningful family conversations to offering personalized financial strategies, their team of tax and financial professionals provides the tools to protect what matters most—your land, your loved ones, and your legacy.

Budget Truck Rental

Save 20% off Budget truck rental consumer rates.

Great Lakes Ag Labor Services

This partnership helps to secure legal temporary labor for those involved in agriculture. Founded by the Michigan Farm Bureau, GLALS is the largest H-2A contract filer in Michigan and is helping producers in OH, IN, WI and TX solve their on-farm labor shortages.

FieldClock Labor Solutions

Members save \$10/month on FieldClock, a mobile time-tracking app built for farms. It increases efficiency and productivity by simplifying crew management, improving accuracy and replacing paper timesheets.

StoneX Farm Advantage

Members get a 10% discount on premium market intel through the StoneX Farm Advantage app—a free tool offering quotes, cash bids, forecasts, profit tracking, and exclusive webinars to help manage ag risk with confidence.

Ohio Farm Bureau and Legal with Leah Podcasts

The Ohio Farm Bureau Podcast keeps you updated on important issues. The Legal with Leah podcast features Associate General Counsel Leah Curtis who covers topics such as property rights, taxes and other legal and regulatory issues.

MARKET & BUSINESS INTELLIGENCE RESOURCES

Our Ohio

Our Ohio magazine is mailed to members six times per year and features stories about trends and issues impacting agriculture and how Ohio Farm Bureau is serving members.

Landowner Toolkit

This detailed booklet contains essential information that will help answer questions unique to property owners on topics such as all-purpose vehicles, oil and gas, property rights, dog laws, drainage, line fence, open burning, zoning, trespassing and more.

Market Intel

American Farm Bureau's economic analysis team provides market and policy insight and analysis for members nationwide, as well as policymakers on Capitol Hill.

Farmer's Guide to Truck and Farm Implement Laws and Regulations

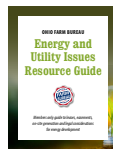

This resource for members includes a farm driver checklist, overview of both state and federal regulations and exemptions, facts about CDL qualifications, details on inspections, load regulations, hazardous materials, emergency response information and more.

Small-Scale Food Business Guide

Understand federal and state regulations for selling food products such as raw meat, dairy, eggs, baked goods, cottage foods, fruits and vegetables, honey and more.

Energy and Utility Issues Resource Guide

Helping farmland owners navigate the many questions surrounding energy development.
